# ABOUT US

The Young Irish Fellowship Club of Chicago is a 501(c)(3) non-profit, volunteer-driven organization that welcomes individuals from diverse ethnic backgrounds to discover and engage with Irish culture. We provide opportunities to forge new friendships within the community while actively contributing to the support of Chicagoland charities.

We operate as a completely volunteer-driven organization with minimal administrative expenses. More than 90% of our funds are channeled directly to the charitable causes we support. Annually, the Irish Fellowship Club fundraises for two charitable partners through a two-year commitment. Our Board of Directors casts their votes each year to select a new charity to support.

While we promote the Irish culture with our events, our club is open to people of every ethnic origin. The YIFC has hosted Forever Green, the largest and best St. Patrick's Day party in Chicago, for 50 years.

# CARA CHICAGO

Cara Collective believes that there is an incredible and untapped talent pool in our country one comprised of people often experiencing homelessness and poverty. Our job is to unlock the strengths they already have and showcase them anew to the world.

Through various programs including, education, encouragement, and access to resources, Cara Collective helps participants increase their employability, and employers advance toward equity and inclusion.

# PATMAC'S PACK

Pat Mac's Pack is a nonprofit established in memory of Patrick McNamara, who battled brain tumors for 11 years and passed away at 13 in 2011. Honoring Patrick's positive spirit, the organization funds pediatric brain tumor research at Lurie Children's Hospital and provides financial assistance to families with children undergoing cancer treatment, including comfort bags for kids receiving radiation therapy.

# EVENT HIGHLIGHTS

# THE YOUNG IRISH IMPACT

We are grateful for YIFC's contribution and the personal impact it has on our recipient's children and their families. Your generosity provides hope and encouragement to those in need. Thank you for your partnership.

## *THE MULLIGANEERS*

Partnering with the YIFC enabled The Claddagh Foundation to strengthen our ability to help individuals living with physical disabilities. We are grateful for YIFC's love, loyalty and friendship.

## *THE CLADDAGH FOUNDATION*

Forever Green was my first YIFC event, and I've got to say, the vibe all night was something else. Listening to the representatives of the charities present and understanding the significance of the event to them serves as a poignant reminder that you are part of something greater. I look forward to going back each and every year!
